Digital Travel Journal by Cameli Nicolò, Carrera Ginevra, Leccese Michele, Merulla Sophia

# Introduction

In this Digital Travel Journal we are going to share our experience with our class in Val di Pejo .

As well as skiing during the five days we had different afternoon and evening activities.

On the trip we didn't have our phones and this helped us to socialize more with our classmates.

# Day One

- At 1 p.m. we started our journey traveling by bus to our destination, Pejo
- After about 4 hours we made a stop at the motorway service station. Then we continued our journey
- We arrived at our destination at around 6 p.m.
- We left our baggage at the hotel and we went to collect our ski equipment and ski pass
- We had dinner for the first time all together and we visited the village. After that we went to bed.

# Day Two

- We had breakfast all together, and this gave us a chance to interact with everybody.
- From 9:00 to 11:00 we had our first ski lesson where we met our ski instructors.
- To get to the restaurant for lunch we took the Pejo 3000 cable car.
- After skiing for another two hours we then had a rest for a bit. Later we visited a local cheese farm.
- We tried to make butter and then we had a cheese and salami tasting.
- We then returned to the hotel and after dinner we went out to have a snowball fight.

# Day Three

- In the morning we did the same activities as we did the day before.
- In the afternoon we went to a café to have a snack and some of us went to the local supermarket to get chocolate bars to eat on the ski slopes.
- We had dinner, and after that we went snowshoeing and the guide explained to us the meaning of different star constellations that we could see that night.
- To end the day we had a delicious hot chocolate to warm us up from the cold.

# Day Four

- At dawn we had breakfast and we went skiing
- Next we went to explore the fauna of the Stelvio national park and a local guide explained the history of the glaciers and how deer behave. The best part was seeing them outside
- In the evening we played some table games at the hotel and we started packing
- We spent our last night in Pejo

# Day Five

- On the last day, after we having, we checked out of the hotel and went skiing for the the last 4 hours.
- In the afternoon we said goodbye to our ski instructors and returned the ski equipment
- Finally we got on the bus and arrived to Milan at around 8 p.m.
